Grace Manor Care Center

Winfield Senior Living Community has served the Winfield community (and the surrounding communities) for many years.

The caring staff are often former students, neighbors, family-friends or perhaps even relatives of the residents—this coupled with the staff's professional qualifications make Winfield Senior Living Commuity feel very different than larger facilities located in metropolitan areas. It is this sense of care and community that makes Winfield Senior Living Community unique.

Therapy Services

Physical Therapy

Physical Therapy is designed to help restore movement, function and:

- Minimize Pain
- Increase Muscle Control & Balance
- Improve Ambulatory Skills
